**Subject: Letter of Recommendation for Sumant hipparagi**

MyCaptain, an initiative by an NSRCEL, IIM Bangalore incubated company, is an online Learning platform awarded by the SDSN as one of the Top 50 youth led solutions working on Quality Education & Decent work Economic and economic growth.

It is with great pleasure that I recommend Sumant hipparagi , on the basis of the performance in the MyCaptain C Programming Workshop in the month of July, 2020. Sumant hipparagi performed extremely well during the workshop and showed excellent skills as seen in the Project submissions and participation in the regular activities. As the mentor, I have seen that in every Live video class session, Sumant hipparagi was very actively participative and always willing to learn and enhance skills in every aspect. Sumant hipparagi is always willing to put forth a unique approach for the Projects that are assigned, while also adhering to the guidelines and rules.

With this, I would take this opportunity to wish Sumant hipparagi , all luck with their future endeavors and hope they have a bright future ahead.

Kind Regards,
